

San Jon Board of Education

Strategic Priorities 2018/2019 and Goals to Address the Priorities

Priority One: Improving School Safety.

This priority is significant in order to provide a safe learning and working environment for students and staff.

Goal 1: Work with staff to update District Safety/Security Plan.

Goal 2: Explore option for funding to provide resources to improve school safety and security.

Priority Two: Focus on continued growth in student academic achievement.

This priority is significant in order to sustain and strengthen the quality of student learning taking place in the district and to ensure that each student enrolled succeeds at his or her highest level.

Goal 1: All staff and administration will focus on school growth as well as improving growth of highest and lowest performing students.

Goal 2: Maintain essential staff levels to include at least one teacher for every grade level in the elementary school.

Goal 3: Expanding options for elective courses for all students.

Priority Three: Improve community partnerships.

This priority is significant in order for the District to develop stronger ties and linkage with its school community and to involve the school community more in support of the school as the heart of the community.

Goal 1: The board will continue to work with staff to involve community in activities and events to improve relationships.

Priority Three: Improve district funding.

This priority is significant in order for the District to continue to improve its revenue stream.

Goal 1: Continue to advocate for San Jon Schools to ensure equitable funding is accomplished and alternative funding sources are pursued.

Goal 2: Explore the possibility of legally defining school district boundaries to include pre-1986/1987 boundaries.

Goal 3: Explore the possibility of legislative funding for capital projects.
