

## EXCITING NEWS!!

We will be ready to go LIVE in the next few days for you to have access to your student's grades, attendance, and food service information.

In order to get this accomplished, I need your email address to set up your account. Once I have this information you will get an email with instructions on how to set up your account.

Parent/Guardian (1) Name: \_\_\_\_\_

Parent/Guardian (1) email address: \_\_\_\_\_

Parent/Guardian (2) Name: \_\_\_\_\_

In the meantime, you can go to the school website and view a quick demo of the program. This will be located under the **PARENT** tab – then “*Skyward Family Access Videos*”.

You will also want to download the Skyward app from your App store on your smartphone.

My hope is to have the system in use ASAP! So, please get your forms turned in to the office as soon as possible! Access cannot be granted to you until I receive the required information.

Thank you for your patience with us during this transition. If you have questions please let me know. 😊
